On the basis of the agreement between universities signed on April 9, 2013 -
Department of Humanities, Wrocław University of Science and Technology and the
Department of Philosophy and Pedagogy, National Mining University hereinafter
referred to as the Parties have concluded the following

1. Agreement subject

In order to support the implementation of the tasks related to development of value
and world outlook aspects of specialists' training in the field of engineering. Parties
agree to cooperate in the humanities and higher school pedagogy area, in terms of
philosophy of science and engineering pedagogy represented by Parties.

2. Agreement scope

The Agreeing Parties shall cooperate in:

- exchange lecturers to teach, conduct consultations, lectures and workshops,
- conduct joint research on methodology of teaching at engineering institutions,
- implementation of joint projects using international funds,
- publishing and reviewing scientific papers related to philosophy of science and
spiritual issues in the history of philosophy,

- participation in conferences, scientific seminars, methodological workshops, etc.,
- exchange of books, scripts, educational and other publications,
- exchange of experience in the organization of educational process at university,
- organization of all possible courses, practices and internships for students.

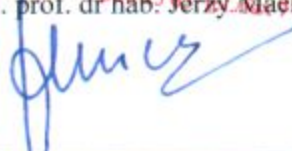

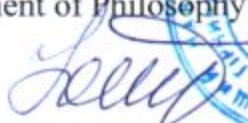

3. Agreement expiration

This agreement was concluded for the duration period from June 13th, 2016 to June 13th, 2019. Each party shall be entitled to withdraw from the agreement, whereby a written form is binding and one month notice period.

4. Final provisions

Any changes to the agreement must be in writing otherwise being null and void.

Agreement is drawn up in three identical copies, **two** for Wrocław University of Science and Technology, **one** for National Mining University.
